Thursday, July 20 - 8:00 a.m. to 6:30 p.m. Pacific Time

Friday, July 21 - 8:00 a.m. to 3:00 p.m. Pacific Time

### Location

Winn Center

Cosumnes River College Main Campus

### Agenda - Day 1

| Time and Location       | Session Title and Description                                                                                                                                                                                                                                                                                                                                                                                                                               |
|-------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 8:00 a.m. - 9:00 a.m.   | <b><i>Breakfast</i></b>                                                                                                                                                                                                                                                                                                                                                                                                                                     |
| 9:00 a.m. - 10:00 a.m.  | <p><b><i>Welcome, Meeting Overview and Introductions</i></b></p> <p>Attendees will be greeted and introduced to the summit objectives and schedule. We will set the stage for a collaborative and engaging experience, emphasizing the shared goals of promoting sustainability and improving indoor air quality within educational facilities, and ensuring that all attendees feel prepared and excited to actively participate throughout the event.</p> |
| 10:00 a.m. - 10:45 a.m. | <p><b><i>Healthy Green Schools &amp; Colleges Program Updates</i></b></p> <p>Attendees will be brought up to speed on the latest updates on the HGSC program, including new and forthcoming resources available to program participants.</p>                                                                                                                                                                                                                |
| 10:45 a.m. - 12:00 p.m. | <p><b><i>Sharing Successes</i></b></p> <p>HGSC participants will share valuable insights into the progress and successes of their programs, as well as the challenges faced and key lessons learned. Attendees will have the opportunity to reflect on their own experiences and consider how this conversation could inform their institution's approach.</p>                                                                                              |
| 12:00 p.m. - 1:00 p.m.  | <p><b><i>Networking Lunch</i></b></p> <p>Connect with peers, share experiences, and forge valuable relationships with fellow attendees.</p>                                                                                                                                                                                                                                                                                                                 |
| 1:00 p.m. - 1:45 p.m.   | <p><b><i>Welcome and Tour Orientation</i></b></p> <p>Steering Committee member Chris Raines will provide a brief introduction to the behind-the-scenes exploration of the award-winning facilities at Cosumnes</p>                                                                                                                                                                                                                                          |

|                       |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         |
|-----------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
|                       | River College.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                          |
| 1:45 p.m. - 3:15 p.m. | <p><b><i>Cosumnes River Colleges Facilities Tour</i></b></p> <p>Chris Raines, Director of Administrative Services, will lead the group on a tour of the facility management program at Cosumnes River College, focusing on maintenance-related elements, including indoor air quality, asbestos-contained material, and ADA. The tour will highlight some of the physical and environmental elements that impact the maintenance program at Cosumnes River College and what the team is doing to meet the Healthy Green Schools &amp; Colleges standard. The tour will be an inspiring and educational experience, demonstrating the tangible benefits of prioritizing health and sustainability within an educational institution.</p> |
| 3:15 p.m. - 3:30 p.m. | <b><i>Break</i></b>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     |
| 3:30 p.m. - 4:15 p.m. | <p><b><i>Tour Reflections</i></b></p> <p>Participants will share their thoughts and impressions following the engaging tour of Cosumnes River College. Attendees will be encouraged to discuss the innovative practices and strategies they observed, reflecting on how these approaches could be integrated into their own institutions.</p>                                                                                                                                                                                                                                                                                                                                                                                           |
| 4:15 p.m. - 4:30 p.m. | <b><i>Wrap Up and Adjourn</i></b>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       |
| 5:00 p.m. - 6:30 p.m. | <p><b><i>Networking Reception</i></b></p> <p>An opportunity for summit attendees to mingle, share ideas, and discuss their experiences over light refreshments.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     |

## Agenda - Day 2

| <b>Time</b>             | <b>Session Title and Description</b>                                                                                                                                                                                                                                                             |
|-------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 8:00 a.m. - 9:00 a.m.   | <b><i>Breakfast</i></b>                                                                                                                                                                                                                                                                          |
| 9:00 a.m. - 9:20 a.m.   | <p><b><i>Welcome and Overview</i></b></p> <p>Attendees will be greeted and introduced to Friday's summit objectives and schedule.</p>                                                                                                                                                            |
| 9:20 a.m. - 10:00 a.m.  | <p><b><i>Facilitating Change in Your School</i></b></p> <p>HGSC staff will provide an introduction to a change model centered on addressing institutional barriers and driving positive transformation within attendees' schools.</p>                                                            |
| 10:00 a.m. - 12:00 p.m. | <p><b><i>Small Group Workshops</i></b></p> <p>Small groups will dive into the challenges and opportunities associated with advancing sustainability and improved indoor air quality practices at their institution. Participants will engage in collaborative problem-solving, sharing their</p> |
